BRAVE WOMAN SPY LOSES HER LIFE

Fearless American Girl Is Caught
and Executed in Austria.

PERFORMED HER TASK

Rosa Litzenger One of Band of Five
Which Wrecked Teuton Food Supplies by Distributing Spurious Checks.

Paris.—One of the most dramatic chapters of American war spy activity, a coup whereby the German-Austrian food stocks were nearly wrecked last winter by almost 2,000,000 spurious bread tickets circulated in the central powers, has been disclosed in Paris. The plot cost the lives of two American patriots, one a girl.

Distributed Bread Tickets.

Early in January, 1918, five American spies, including Rosa Litzenger, formerly an obscure music teacher of Milwaukee, Wis., crossed the frontiers of Germany from Holland and Switzerland. The spies carried counterfeit bread tickets, printed in Washington.

Working with confederates among corruptible food administration officials in Dresden, Munich, Frankfurt, Berlin, Prague and Vienna, the Americans succeeded in distributing more than 1,000,000 bread tickets.

Again in April a second attempt was made through the same channels and more than 800,000 tickets were distributed.

Shot at Prague.

uted before the German secret service, seeking the cause of the unprecedented decrease in the supply of bread, discovered the trail of the Americans.

Tried to Escape.

Realizing their usefulness had ended, the Americans made an effort to escape. Three of them managed to reach neutral countries, but Rosa and a male companion were caught. Both were tried as spies, condemned and shot at Prague.

Rosa died not knowing that she had helped to create more havoc among the German and Austrian forces than a division of American troops could have caused, for the flood of nearly 2,000,000 spurious tickets, circulated during five months, so depleted the bread stocks that the food administrations of the central powers were forced to reduce even the army supplies.

TOOK HAT; COST HIM \$500

Express Messenger's Vanity Gets
Away With Him and Proves
Rather Expensive.

Kansas City, Mo.—The hat appealed strongly to Donald Rowbotham, an express messenger. He took it from a packing case in his car and wore it to his home in St. Joseph, Mo., at the end of his run last August.

Rowbotham paid \$500 for the hat in federal court here and said he considered it a bargain at that price. Judge Van Valkenburg, before whom the case was heard, might have given him a \$5,000 fine and ten years in the penitentiary. The express messenger, who is of a prominent St. Joseph family, pleaded guilty in federal court to the act.

"Generosity" of Four Boys in Placing
\$8 in Contribution Box Is
Explained.

Georgetown, Del.—The "generosity" of four boys in placing \$8 in the collection plate at the local Presbyterian church on a recent Sunday caused comment. Ice cream was the answer.

The boys had stolen the ice cream, which was purchased for the Ladies' aid, from the back porch of one of the members. Detective work led to the arrest of the youngsters, who were let off with a lecture, payment of the costs and instructions to contribute \$2 each to the church fund.

Wife's Cigars Welcome.

"Tomorrow's my birthday and I shall get the usual very welcome box of cigars from my wife."

"Welcome? Huh! I'll bet you throw them away."

"Not much I don't. I give them to my friends. They remember the horror, and later when I offer them a cigar that's really good they pass. I tell you wife's gift is dozens of dollars in my pocket every year."—Boston Transcript.

No Red Tape.

Two ladies made a formal call on a distant acquaintance. The maid asked them to wait until she ascertained whether the person inquired for was in. Presently she tripped downstairs and announced that the lady was not at home. "One of the callers, finding that she had forgotten her cards, said to her friend, 'Let me write my name on your card.'"

"Oh, it isn't at all necessary, miss," put in the maid cheerfully. "I told her who it was."

Strict Scrutiny.

A young soldier in a barrack room not having much time to dress for guard, had cleaned his boots very well in front but scarcely at all behind. A comrade noticed this and said: "Why don't you clean the backs of your boots, George?"

"Oh," said George, hurriedly pulling on his cap and hurrying out, "a good soldier never looks behind." However, he was reprimanded by the adjutant, and a few days afterward his friend, noticing a difference in his boots, said to him:

"I thought a good soldier never looks behind, George?"

"No," was the reply, "but the adjutant does."

He Was Excused.

The talesman had wriggled and wriggled, and finally the judge lost patience.

"Do you mean to state on oath that you don't think you have sufficient intelligence to render a just verdict on the evidence?" he shouted.

"Not exactly that, judge," said the talesman, "but the fact is that for the last ten years my mind has been made up for me by my wife and mother-in-law, and, as I understand this jury stunt, I shall not be allowed to communicate with them."

"Excused!" cried the judge. "I'm a married man myself."

Joffre the Silent.
"I carry no literary baggage." This confession of Marshal Joffre sums up his laconic habit. He hates words. Not long after his great victory on the Marne he consented to receive a party of war correspondents. They looked forward eagerly to columns of copy. Joffre uttered 65 words and then said, "Good morning."

One of our boys was talking with one of the Frenchies in the trenches. He asked the French soldier where he lived. The Frenchman pointed the direction and mentioned a village nearby. Tired Nervous Mothers

Should Profit by the Experience
of These Two Women

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my household work."—Mrs. B. B. ZIELINSKA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINE KIMBLE, 935 West Race Street, Portland, Ind.
